What type of research activities most interest you?
What sectors most interest you?

When are you available for this work? Please tell us the months that work for you, and a little about the time during the week you are available.

Please share a bit about your experience working in deep partnership with communities of color, and your ability to connect with specific communities of color.

Please identify the level of supervision you are likely to need for a project with us, and how you anticipate your relationship with a supervisor to unfold.

Please share anything else you think is relevant for us to know when we look at your materials.

Please provide one reference of someone who is able to comment on your research capacity. Add their contact information.

Please tell us how to reach you (provide email and phone)

Thank you for your interest.

Please save this document and submit it to <info@centertoadvanceraciaequity.org>.
Please also attach a fairly current resume.
